

## *113-1 DESCRIPTION*

With the new semester comes new members, and the International Exchange Club's courses commence under Teacher Kon's melodious singing. This semester features 10 club sessions, and each class, Teacher Kon brings different songs, including not only English songs but also ones in Mandarin and Taiwanese. Students learn how to use AI tools to translate lyrics, learn English vocabulary from the lyrics, and practice making sentences with those words as well. The lively and relaxed atmosphere makes students look forward to each club session.
